

Pinball Wizard - The Who

Bsus B

Ever since I was a young boy I've played the silver ball

Asus A

From Soho down to Brighton I must have played them all

Gsus G

But I ain't seen nothing like him In any amusement hall

F#sus F

That deaf, dumb and blind kid Sure plays a mean pinball

He stands like a statue Becomes part of the machine

Feeling all the bumpers Always playing clean

He plays by intuition The digit counters fall

That deaf, dumb and blind kid Sure plays a mean pinball

He's a pinball wizard There's got to be a twist

A pinball wizard He's got such a supple wrist

D

How do you think he does it? (I don't know)

What makes him so good?

He ain't got no distractions Can't hear those buzzers and bells

Don't see lights a flashin' Plays by sense of smell

Always gets a replay Never tilts at all

That deaf, dumb and blind kid Sure plays a mean pinball

I thought I was The Bally table king

But I just handed My pinball crown to him

Even on my favorite table, He can beat my best

His disciples lead him in And he just does the rest

He's got crazy flipper fingers Never seen him fall

That deaf, dumb and blind kid Sure plays a mean pinball

He's a pinball wizard There's got to be a twist

A pinball wizard He's got such a supple wrist
